The 2019 Annual Report is dedicated to the memory of Greenwood native

Sandra Martin (Dunham) Morgan

Although Sandy left Greenwood to live in Albany, NY, more than 40 years ago, she never lost her love for the characters and special places of her hometown, and throughout her lifetime she made them come alive through her writing.

For a decade, from the mid-1960s until the mid-1970s, she kept the world abreast of the happenings in her Rowe Hill neighborhood, and, in particular, at "Rocky Top," the hillside farm where she raised her four children, chased after wayward livestock, and, whenever she could, found a few minutes' peace to write.

Later in her life, she wrote regular entries for her blog, "Pasture to Pavement," and she recently published a collection of those essays in her book, *Salt Pork and Dandelion Greens: Growing Up Greenwood*. A poignant, evocative, and often hilarious memoir, it immediately struck a chord with her many friends and relatives back home.

Even though the characters who populate her stories are now gone, and the world moves at a faster pace than it did when she was growing up in Greenwood, Sandy believed that her hometown retained much of the essence she loved about it as a child.

"I would like to think that the neighbors all know each other and are just as caring as they were when I was young," she once said. "Greenwood will always be first in my heart."

To: Citizens of Greenwood, ME,

The last year of working with many contractors and citizens of Greenwood has been a pleasure. If there is any question about building permits, Shoreland Zone activities or tree cutting please call the Town office or me at 393-7705 directly.

Sincerely,
Joelle Corey-Whitman

PACE Paramedic Service

Citizens of the Town of Greenwood,

PACE Paramedic Service, a Department of Stephens Memorial Hospital is proud to be able to present you with a description of ambulance service for your Annual Town Report.

In 2018, PACE responded to a total of 3785 calls, 73 of which were in in your town. Our average response time for the calls in Greenwood in 2018 was 13 minutes. PACE continues to stage a Paramedic Level Crew in our Northern District 24 hours / day, 7 days / week. We are regularly out the door and on our way to calls in less than one minute with a minimum of three Paramedic Level Crews on duty at all times.

PACE continues to maintain a very close relationship with the fine group of professionals on the Greenwood Fire Department and enjoys being able to work and train with the Fire Fighters whenever possible. The Greenwood Fire Department is also a Maine EMS Licensed First Responder Service and we appreciate their help on calls whenever they are able to go along with us.

PACE is always happy to visit schools, daycare facilities, organizations, and the like to talk about emergency care and give tours of the ambulances as part of our community outreach program. We are also more than willing to give tours of our station located on the Stephens Memorial Hospital Campus. We provide regular CPR & First Aid training here at Stephens and we are also willing to set up special classes to meet your needs. Please feel free to call 207-744-6126 to schedule tours and training.

Should you have any questions or concerns about ambulance service in your area, feel free to contact the Director anytime.

Yours Truly,

Bob Hand, Paramedic
Director; PACE Paramedic Service
Stephens Memorial Hospital
Office: (207)744-6126

Bethel Region Age-Friendly Community Initiative (AFCI) 2018 Annual Report (submitted January, 2019)

2018 has been a year of important transitions for the Bethel Region Age-Friendly Community Initiative (AFCI).

- A Mission: To explore ways to make the community more supportive of healthy aging and to make it possible for people to stay in their own homes (and communities) as they age.
- B Member towns, all of which contribute funding to the AFCI: Bethel, Gilead, Greenwood, Hanover, Newry, Woodstock.
- C Contact Information:
 - 1. website: www.agefriendlybethel.org
 - 2. mail: PO Box 833, Bethel, ME 04217
 - 3. email: info.agefriendly@gmail.com
- D Governance: AFCI was incorporated on June 25 and subsequently was approved by the IRS as a tax-exempt 501c3 organization. A Board of Directors and officers were elected, to replace the former Advisory Council:
 - Al Cressy Bethel rep; Treasurer
 - Anita Clark Newry rep
 - Bob Oikle Treasurer-elect
 - Charlie Reiss
 - Jane Chandler Woodstock rep; Secretary
 - Lise McLain Gilead rep
 - Lucy Abbott co- Vice President
 - Nancy Davis President
 - Shirley Powell Hanover rep; co- Vice President
- E AFCI Programs
 - 1. Transportation. Neighbor-to-Neighbor (N2N) Volunteer Driver Program: free medical or local non-medical rides for seniors (age 60 and over) in the AFCI. Since its inception in October 2017, the N2N program has provided 355 to its 33 clients. In collaboration with Western Maine Transportation Services, Community Concepts and the Maine Department of Transportation, AFCI sponsored a far-reaching transportation forum in Bethel.

2. Our Home Safety Project, initially funded through an AARP Community Challenge Grant 9/17 has continued to serve the community:
 - Adaptive toolkit: tools for home use, including kitchen helpers and aids to facilitate vision and manual dexterity; for sale at Brooks Bros. Hardware and from other online retailers (see catalog); displayed throughout the communities and at local events.
 - In cooperation with the American Red Cross, free smoke alarm installation for Greenwood, and Woodstock residences.
 - Home Assessments for Falls Prevention: To date, thirteen Bethel area residents have taken advantage of these free assessments. Bethel Family Health Center providers identify patients who might benefit from the program and invite them to participate. Assessments are performed by a local Occupational Therapist, and an assessment report is provided to the residents as part of a follow-up visit.
3. Communication
 - Press releases and print items (rack card, etc.).
 - Monthly electronic newsletters sent to a mailing list of 150 AFCI friends.
 - Website: www.agefriendlybethel.org.
 - Directory of local services on our website and in print.
4. Outreach
 - AFCI collaborated closely with the Mahoosuc Heart & Soul Program, sharing goals and action items as prioritized by local citizens.
 - AFCI became an active member of the Bethel Area Non-profit Collaborative.
 - It is hoped that the above two collaborations and others within the community will allow AFCI to expand its effectiveness.
 - Two AFCI Board members participated in a workshop with Telstar Freshman Academy students, with the hope of generating inter-generational opportunities.
5. Exercise for Seniors
 - Walk the Gym (Bingham Gym, Gould Academy) in the winter.
 - Tai Chi classes.
 - Group Swimming at the Greenwood Town Beach in the summer.
6. Resource Directory: Guide to services and agencies available to seniors (and others), locally and statewide - on website and printed copies at select sites within the AFCI communities; pdf copies available upon request.
7. Morning Greeting: Seniors living alone can receive a call each day from a "neighbor" to check in on their well-being, thereby lessening isolation, promoting safety, and encouraging new friendships. Clients (or family members/friends) register through a call number.
8. Two Board members began exploring the idea of a Handy Neighbor program, with the long-term intent of providing simple household tasks for those over 60 who request it.
9. Over 50 AFCI volunteers were invited to a festive celebration of our work; additional participants were representatives from the offices of Senator Collins and Senator King and AARP Maine.

F State/National

1. AFCI has collaborated with, and served as leaders for, other AFC communities in Northern New England, serving in a number of webinars and other web-based and interpersonal meetings.
2. An AFCI leader was a presenter at the AARP National Conference 11/18.
3. AFCI engaged with representatives of the offices of Senators Collins and King and State legislators.

G Action Plan

1. We have completed the implementation of our first Action Plan approved in December, 2016. We have completed a thorough assessment of our progress; they may be obtained upon request.
2. We are beginning to develop our new Action Plan.

INDEPENDENT AUDITORS' REPORT

To the Board of Selectmen,

Town of Greenwood, Maine

We have audited the accompanying financial statements of the governmental activities of the Town of Greenwood, Maine as of and for the year ended June 30, 2018, which collectively comprise the Town's basic financial statements as listed in the table of contents. These financial statements are the responsibility of the Town of Greenwood, Maine's management. Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinions. In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities of the Town of Greenwood, Maine, as of June 30, 2018 and the respective changes in financial position, thereof for the year then ended in conformity with accounting principles generally accepted in the United States of America.

The management's discussion and analysis and the budgetary comparison information, as listed in the table of contents, are not a required part of the basic financial statements but are supplementary information required by accounting principles generally accepted in the United States of America. We have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the required supplementary information. However, we did not audit the information and express no opinion on it. Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Town of Greenwood, Maine's basic financial statements. The combining and individual non major fund financial statements, listed in the table of contents, are presented for purposes of additional analysis and are not a required part of the basic financial statements. The supplementary information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

Dear Friends,

I hope this letter finds you well. As I am settling into my new role as your representative, I wanted to give you an update on what we are doing in D.C. and in Maine this year.

My first priority is to be accessible to you and to our communities, which is why I have opened offices throughout the Second District at the following locations:

- **Caribou Office:** 7 Hatch Drive, Suite 230, Caribou ME 04736. Phone: (207) 492-6009
- **Lewiston Office:** 179 Lisbon Street, Lewiston ME 04240. Phone: (207) 241-6767
- **Bangor Office:** 6 State Street, Bangor ME 04401. Phone: (207) 249-7400

My team and I are here to serve you, so please come meet my staff, voice an opinion, inform us of local events, or seek assistance with federal benefits. I come home to Maine every weekend to hear from you and see what's happening in our communities. I appreciate you keeping us informed.

This year, I was proud to be appointed to the House Armed Services and Small Business Committees. On Armed Services, I'm using my experience serving in Iraq and Afghanistan to make sure our servicemembers have the resources and training they need to succeed and keep us safe. Within Armed Services, I was assigned to the Seapower Subcommittee, where I am fighting for our shipyard jobs and making sure our military can count on Bath-built ships for generations to come. Beyond Bath, I will advocate for the entire network of good Maine jobs that support our troops, equipping them to carry out their duties reliably and safely.

Maine would just not be the same without our small, family-owned businesses. On the Small Business Committee, I am working to ensure our small businesses have the tools to grow, look out for their workers, and provide more good jobs to people all over Maine. Within the Small Business Committee, I was honored to be appointed Chairman of the Subcommittee on Contracting and Infrastructure. With this position, I am highlighting the need for infrastructure investment and fighting to level the playing field when small businesses compete for federal contracts.

One thing I love about Maine is that we help each other out. Whether it's ensuring a job well done or lending a hand to a neighbor, I know you are strengthening our communities every day. I am proud to serve alongside you and look forward to all that we will accomplish together.

My wife Isobel and I wish you and your family happiness, health, and success in the year to come.

Sincerely,

Jared Golden
Member of Congress

January 3, 2019

Dear Friends,

As I travel Maine, I hear from people who live in every corner of our state. I hear about their achievements, their successes, their work to improve their communities – I hear about the hope they have for our state. I also hear about our challenges, and all the work we have left to do. As I see it, that's my job: to listen to you, act where I can to build on what's good, and work on the tough parts. As 2018 comes to a close, I wanted to take a moment to share an update on some of the work we're doing in Washington to lift up the accomplishments of Maine people and make progress on the challenges they face.

From Portland to Presque Isle, from Milo to Camden, I hear about the pain that the opioid epidemic is inflicting on Maine communities. I've met with Maine people in recovery, family members of those struggling with substance use disorders, treatment providers, and law enforcement officials to learn about their experiences with this terrible disease, and everyone agrees that in order to fully respond to these problems, we need a stronger federal effort to end the opioid epidemic. Fortunately, some help is on the way – in October, we overwhelmingly passed a sweeping, bipartisan opioids bill. I've pushed hard for this type of legislation and was proud to have provisions I've advocated for included in the bill. These priorities have been guided by the voices of Maine people, and we'll keep working to confront this tragic problem.

I've also worked to strengthen the future of our forest economy. Maine's forests have powered our state's economy for generations, especially in our rural communities. So, when rapid shifts in the market led to the closure of many pulp and paper mills and biomass power plants, it required a collaborative approach to support future growth in this important industry. That's why, together with the other members of the state's Congressional delegation, I pushed to establish the Economic Development Assessment Team (EDAT). This integrated, multiagency effort aims to foster innovation and commercialization in Maine's forest economy, and we're already seeing the benefits: in recent months, several forest industry businesses have announced significant investments into Maine operations, and in September 2018, the Forest Opportunity Roadmap (FOR)/Maine released an action plan to make sure this industry, and the rural communities it supports, can continue to thrive for generations to come.

As I close this letter, please allow me to express my gratitude to each of you – for your dedication to our state, and to one another. It's often said that Maine is like a big small town (with very long streets)—that's because at our heart, we're one big community. It's not only a pleasure to serve you— it's a pleasure to know you. Thank you for being the reason Maine is so special. Mary and I hope that 2019 will be a good year for you, your family, your community, and our great State.

Best,

Angus S. King
United States Senator

Dear Friends,

It is an honor to represent Maine in the United States Senate. I am grateful for the trust the people of our state have placed in me and welcome this opportunity to share some key accomplishments from this past year.

As Chairman of the Senate Aging Committee, I worked to help ensure the well-being of our seniors. The *SeniorSafe Act I* authored became law last year and is empowering banks, credit unions, and other financial institutions to better protect seniors from financial fraud.

Following extensive committee investigations of prescription drug pricing, additional legislation I crafted became law, ending the egregious practice of pharmacy "gag clauses" that prevented pharmacists from informing patients on how to pay the lowest possible price.

This year, I was also successful in securing an extra \$425 million for Alzheimer's research—the largest funding increase ever—bringing the total to \$2.34 billion. Additionally, the bipartisan *BOLD Act I* authored will create public health infrastructure to combat Alzheimer's by promoting education, early diagnosis, and improved care management.

More than 40 million Americans—including 178,000 Mainers—are caregivers for parents, spouses, children, and other loved ones with disabilities or illnesses, such as Alzheimer's. The *RAISE Family Caregivers Act I* authored was signed into law last year, giving caregivers more resources and training to better balance the full-time job of caregiving. Another law I wrote will help grandparents who are raising grandchildren, largely due to the opioid addiction crisis.

In addition to helping seniors, a major accomplishment over the past year is the increased federal investment in biomedical research that is leading to progress in the fight against numerous devastating diseases. Congress has boosted funding for the National Institutes of Health by \$7 billion in just the last three years, bringing total funding to more than \$39 billion.

One of my highest priorities as Chairman of the Transportation Appropriations Subcommittee is to improve our nation's crumbling infrastructure and ensure that Maine's needs are addressed. Since the Better Utilizing Investments to Leverage Development (BUILD) Transportation Grants program, formerly known as TIGER, was established in 2009, I have secured \$160 million for vital transportation projects throughout Maine.

Congress also delivered a Farm Bill last year, which includes many important provisions that will help the agriculture industry in Maine and across the country. Specifically, I secured provisions that will strengthen support for young farmers, improve local farm-to-market efforts, and increase funding for organic research.

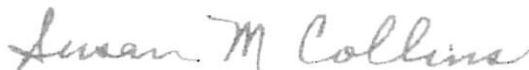

Congress took decisive action to address the opioid addiction epidemic. In addition to appropriating \$8.5 billion in federal funding last year, Congress enacted the *SUPPORT for Patients and Communities Act*, a comprehensive package that embraces the multipronged approach I have long advocated for this epidemic: prevention, treatment, recovery, and enforcement to stop drug trafficking.

Maine plays a key role in ensuring a strong national defense. In 2018, Congress provided funding for five ships to be built at Bath Iron Works, which will help to keep our nation safe and provide our skilled shipbuilders a steady job. I also secured more than \$162 million for infrastructure projects at Portsmouth Naval Shipyard to support their important work to overhaul Navy submarines.

A Maine value that always guides me is our unsurpassed work ethic. In December 2018, I cast my 6,834th consecutive vote, continuing my record of never missing a roll-call vote since my Senate service began in 1997.

I appreciate the opportunity to serve Maine in the United States Senate. If ever I can be of assistance to you, please contact one of my state offices or visit my website at www.collins.senate.gov. May 2019 be a good year for you, your family, your community, and our state.

Sincerely,

Susan M. Collins
United States Senator

2019/2020

**ANNUAL
TOWN MEETING
WARRANT**

Warrant for Annual Town Meeting

May 18, 2019

For Year 2019/2020

July 1, 2019 to June 30, 2020

Oxford, ss

State of Maine

To: Gary Fuller, a resident of the Town of Greenwood in said County of Oxford, State of Maine.

Greetings: In the name of the State of Maine, you are hereby directed to notify and warn the inhabitants of the Town of Greenwood, qualified by law to vote in said town, to meet at the American Legion, Jackson Silver Post, 595 Gore Road, Greenwood on May 18, 2019 at 9 o'clock in the morning to act on the following articles to wit:

Article 1: To elect a **Moderator** by written ballot to preside at said meeting.

Article 2: To elect a **Selectman, Assessor and Overseer of the Poor** by written ballot for a **three year term** starting July 1, 2019.

Stipend Article

Article 3: Shall the Town vote to accept the following stipend for the Board of Selectmen for the ensuing year?

Selectmen, Assessors and Overseers of the Poor

\$ 150.00 per month for each Selectman

LD 1 Tax Cap Article

Article 4: To see if the Town will vote to increase the property tax levy limit of **\$1,007,920.00** established for Greenwood by State Law in the event that the municipal budget approved under the proceeding Articles will result in a tax commitment that is greater than that property tax levy limit.

STATEMENT OF FACTS: Every effort has been made to hold the budget increases to a minimum, if adopted as presented the budget will result in a tax commitment that is below the property tax levy limit. If the proceeding Articles are approved by the voters, we have not exceeded the property tax levy limit. If the voters increase the presented budget by \$ 64,300.00 State law requires voter action to authorize an increase in the limit. A vote on this Article requires a written ballot.
